Introduction

Singda Toys Industrial Limited has been established for over 8 years. We are located at Chenghai district, Shantou city, China, specializing in RC toys trading and development.

We embrace the faith that "quality is remembered long after the price is forgotten".

On the basis of supplying "best RC product", we possess a strong quality controlling team to guarantee every single process is under surveillance during the manufacturing. All our products are thus complied with CE, ROHS, HR4040, ASTM, etc. We are proud of getting good feedbacks from our customers, and always provide with reasonable price for the big competitive markets to maintain the mutual benefit business relationship.

Euramerican market is our major trading area but the other markets are also being expanding globally. We are adept at OEM and ODM projects and welcome all who have related demands.

We believe we are the chosen supplier of RC toys in your requirement and look forward to building up partnership with you.
