Highlights

*4 Channel Transmitter: Ascend/ Descend; Forward/ Backward; Left/Right; Left/Right rotation; Throw to Fly etc.

*6-axis gyro system makes CX-10D very stable and easy to opearate.

*CX-10D can be operated in 3 flying modes. High/Low speed modes can be changed using a transmitter and the third mode is 360° high speed rotation mode in which the aircraft's lights dazzle.

*CX-10D can rotate to left/right while flying or hovering.

*CX-10D has built in density baroceptor which allows CX-10D to hold the height. The transmitter control sticks are designed with built in spring back system for convenience and comfort (the sticks automatically return to the center position); you can control the CX-10 by a single hand and it can even hover in the sky when putting down the controller.

*CX-10D can perform 3D flips/rolls (forward/backward, left/right).

*The RC range: about 25m. Flying height:about 25m.

*CX-10D is equipped with a battery protection module to protect the battery.

*CX-10D is equiped with multi-color LED lights making the flight more spectacular especially in the dark.

*CX-10D have One touch landing and One touch take-off that the beginners can handle it easy.

Specifications

Features: 2.4Ghz,Radio Control
Functions:Forward/backward,,Sideward flight,Slow down,Speed up,Turn left/right,Up/down,3D rollover,Altitude hold;One key take off,One key land;,With light
Kit Types: RTF
Built-in Gyro: Yes
Night Flight: Yes
Material: Electronic Components,Plastic
Remote Control: 2.4GHz Wireless Remote Control
Channel: 4-Channels
Mode: Mode 2 (Left Hand Throttle)
Control Distance: 25m
Transmitter Power: Built-in rechargeable battery
Model Power: Built-in rechargeable battery
Flying Time: 5mins
Drone weight: 15 g
Diameter of blade: 30(mm)
Color: rainbow and camouflage.
Quadcopter battery:3.7V 150mAh lipo battery
Battery for controller:2*AAA dry battery(Not including)

Package Content

1xAircraft(Include battery),
1xTransmitter,
2xblades ,
1xUSB Charging Line,
1xManual (Chinese & English)

360°
3D Flips

CX-10D Flexible
