## **Specifications**

\*Item type: Quad-copter

\*Color: red/green/black optional

\*Controller mode: Mode 2 (left stick throttle)

\*Channels: 4 Channels

\*Remote control frequency: 2.4GHz \*Remote distance: Approximated 100m.

\*Gyroscope: Six axis

\*Suitable ages: Above 14 Years old

\*Battery capacity: 3.7V 650mAh Li-po battery

\*Battery size: 42\* 30 \* 9mm

\*Camera pixel: 2.0MP

\*Charging time: Approximated 60minutes
\*Working time: Approximated 6-8 minutes

\*Battery of remote controller: 4 \* AA batteries (not included)

\*Mobile phone (for FPV clip) width: 54-80mm

\*Item dimensions: 20 \* 20 \* 4.9cm

\*Item weight: 112g

## **Package Content**

- 1 \* HongTai F802C quadcopter
- 1 \* 2.4G Transmitter (mode 2)
- 1 \* Mobile phone holder
- 1 \* 3.7V 650mAh Li-Po battery
- 1 \* USB charger
- 4 \* Propeller guard
- 4 \* Spared propeller
- 1 \* Screwdriver
- 1 \* Hexagon wrench
- 1 \* English Manual
