Specifications

- *Description: 2.4Gz WIFI RC Quadcopter With Real Time
- *Function: With one key to return function, can continuously forward / backward / right / left *flip fly, 360 degree flying
- *Transmission And Camera FPV
- *Color: Yellow/Blue/Red
- *Packing: Color box
- *Product size: 40*9cm
- *Color box size: 25*25*11cm
- *Carton size: 77.52.5*47CM
- *PCS/CTN: 24
- *G.W/ N.W.: 15/ 13.5 Kg
- *Playing time: around 8 minutes
- *Charging time: around 1 hour
- *Controlling distance: About 100 meters
- *Battery capacity: 3.7V 650 mAh

Package Content

- 1 * HT RC Quadcopter
- 1 * Quadcopter
- 1 * Transmitter
- 4 * blades
- 1 * screwdriver
- 1 * USB Line
- 1 * instruction manual (English & Chinese)
- 4 * protect cover
- 6 * screw
